FROM A8 MOTORWAY (COMING FROM CANNES DIRECTION) :

- 1) Leave the motorway at the **Cagnes-sur-Mer exit**. The exit bears round to the right and you join a single lane of traffic which goes over the motorway.
- 2) **Stay in this lane**; do **NOT** follow signs on your right to Cagnes. Eventually you will pass under a bridge and then over the motorway again. You will start to go downhill and will pass between two petrol stations; you have the Hippodrome (horse racing track) on your right.
- 3) You will come to a crossroads; stay in the middle lane and at the lights go **straight across**. There is a Renault garage and then a Midas garage on your left.
- 4) At the next set of lights go **straight across**. You will go over a little bridge over the river and immediately get to another set of lights. Move into the **left hand lane** and **turn left** immediately past the abandoned restaurant. There is a MACIF office at the start of this road.
- 5) Continue straight on, you will cross a speed bump and then reach a junction with a set of lights. At this junction **turn left**.
- 6) You will cross over the motorway and see the Haut de Cagnes old town ahead of you. At the next set of lights, carry **straight on**.
- 7) Another 300m further on, the road will become one way (two lanes) and you will reach a set of traffic lights with a **pharmacy** on the corner. Go **straight on**.
- 8) You will immediately reach a **second set of lights** – **turn right** into Avenue des Tuilières ('Matmut' insurance office on the corner and baker "Le Blé des Anges ahead of you) also signposted to 'Musée Renoir'.
- 9) 100m up this road, set back slightly, **on the right**, you will see a very **lemon yellow coloured house with green shutters**. There is also a flashing "Ralentir" pedestrian crossing sign. Slow down as our entrance is the third one after the yellow house (they are in quick succession). Big dark gates set back slightly and a fairly steep drive – marked 22 and 22 bis. The office is in the tall white house with green shutters, right at the top of the drive. There is plenty of parking just after the second gate on the left. The office door is on ground level on the side facing the parking area.

When you leave our drive, if you are turning left towards the Town Centre, there is a road which joins the main road almost immediately. Please note that this **small road has priority** – and they use it!
